No raise
Continued from Page A-1
He said most California cities follow the general law formula for raises.

DOWN TO A SCIENCE

Participants at Sierra College's Science Fair and Computer-A-Thon Saturday learned about dinosaur history, took guided nature walks and viewed numerous science exhibits in addition to viewing the latest in computer technology.

Roseville official sees no need for extra drinking water tests

By JOEL MURPHY
The City of Roseville, Calif., sees no reason to have more drinking water tests for contaminants or bacteria because, as taxpayers, they're already paying the city to do those tests.

CalTox

Continued from Page A-1
Anything to change his mind. "I just didn't have good data. His charter of incorporation" he showed me said they were not engaged in any special lobbying that would affect legislation," Jackson said.

'Hit man' defendant called genius Prosecutor introduces 146 pieces of evidence

By GLENN COON

ALBANY — The prosecution last week wrapped up six weeks of presenting detailed evidence in the "hit man" trial of Forest Silverstead.
